

SEABRIDGE POST

A CHRISTMAS MESSAGE FROM MRS MITCHELL AND MRS HARRISON

Dear Parents,

Our Christmas at Seabridge has once again proved to be a busy but extremely enjoyable time for all of us with a range of activities:

Christmas Concerts - Nursery, Reception and Year 1

Our Christmas productions have once again proved to be very successful and entertaining. We were very proud of all our children and the wonderful singing, acting and dancing. Nursery provided their parents with a beautifully performed 'The Nativity', Reception performed 'Penguin Pete' which really helped to spread the message and spirit of Christmas and Y1 gave us some first class entertainment with their performance of 'The Fairytale Nativity'. They have made Christmas very special for us indeed. Many thanks to everyone who was able to attend and for any help given with costumes. The staff and children very much appreciated having such large and appreciative audiences after working so hard on their concerts.

PTA Christmas Activities

I would once again like to thank all members of our PTA who have worked so hard this term with a number of fund raising events including the Firework Spectacular, the Great Seabridge Bake Off, the Christmas designs project, hot chocolate sales, the Christmas Fayre and the Christmas discos. Once again they have organised very successful and enjoyable events and raised around £8500 for school this term which is just an amazing amount. Thank you to all of you who have supported the events by attending or donating items, and to the staff for supporting the events in all sorts of ways.

New Vic Trip to see 'The Wind in the Willows'

What an enjoyable morning we had at the New Vic Theatre! It was lovely to see the children watching the performance of 'The wind in the Willows' and it is always a pleasure to take the children on this trip. It's a lovely school outing, and we look forward to these 'school family' visits each year.

Nursery and Reception Trip to New Vic Theatre - 'The Wind in the Willows' Tale Trail

Our younger children thoroughly enjoyed this experience and the New Vic did a great job of making the story of 'The Wind in the Willows' accessible and exciting for our youngest children.

Christmas Lunch

We enjoyed a delicious Christmas Lunch in school on Tuesday of this week and would like to thank our school kitchen staff who worked hard to provide a lovely lunch for so many of us.

Carol Service at St. Andrew's Church - Wednesday 19th December

This was a lovely opportunity for our school to take part in a Carol Service together to round off our Christmas celebrations and to remind us of Christian beliefs. As usual, it was made extra special by it taking place at St Andrew's church. Some children gave the readings, took part in a tableau and choir performed some songs, whilst the rest of the congregation sang carols and Christmas songs with gusto.

Party Day - Friday 21st December

Children thoroughly enjoyed their party day and having the opportunity to wear their party clothes and join in the fun and games as well as an opportunity to play festive games and have a dance!

And finally..... The Staff Panto! Oh yes it is!

Staff treated the children to our very own version of 'Aladdin' this year. "Oh yes we did!" All staff threw themselves into their roles and the children were engrossed with the performance. Ask them about it and I'm sure they'll tell you all about which characters we played.

May I remind you that we return to school on **Monday 7th January 2019.**

In the meantime we would like to wish all of you a very Merry Christmas and a Happy and Healthy New Year.

Yours sincerely,

Mrs S. Mitchell, Mrs J Harrison and all the staff at Seabridge
