'Working together to be the best we can'

24th September 2018

October is 'International Walk to School Month' - a great opportunity for our pupils to join hundreds of thousands of pupils across the globe celebrating the walk to school! We would love to see as many of our pupils walking to school in October. Leave the car at home and walk to school as much as you can! This is a super way to further promote our continual focus on healthy lifestyles. Even parking slightly further away and walking further than normal could count toward this.

It is extremely important that you name your child/ren's uniform, coat and shoes. We already have items that are unnamed and unclaimed.
Thank you

Post Box—Don't forget that you can post any letters, forms, orders etc for the office or PTA in the little white post box next to the main entrance (just to the right of the office window). This would be helpful during busy times. Thank you

Congratulations to 2B for 100% attendance last week. Our overall school attendance was 98.1% for the week. Our team point winners last week were blue team. 1L were our Time 4 Sport winners last week.
