

What does my teacher's marking mean?

IW - You worked independently on this piece of work (*only to be used when this was unexpected)

S - You received some help from an adult with this work.

S+ - You needed quite a lot of help from an adult with this work.

G - You worked in a guided group with an adult for this piece of work.

VF - You received verbal feedback from your teacher about this work.

😊 😐 😞 - Next to your aim draw a small face to show how you think you met the lesson objective (to be used where appropriate)

✓ - Your teacher will use a pink tick when they agree with your self assessment. They will also use a pink tick to indicate great parts of your work. **Pink comments** will be used to celebrate things that you've done well.

A green dot shows that you have made a mistake. If it has a 'C' next to it then you need to make a correction.

N.S. - Next steps show you what you need to include in your next piece of work to make it even better. Remember to initial this in **blue pen**.

E.B.I. - Even better if... this shows you what you need to do to improve this piece of work.

🧠 . . . Your teacher thinks that you've excelled in this piece of work and could try a challenge!

CL - You need to correct your capital letters.

FS - You need to correct your full stops.

SP ①②③ - You need to find your incorrect spelling and practise this spelling three times.

When you need to write a longer response do this in pen and draw a blue triangle in the margin.

- Use a blue pen to complete all of your fix-its.
